

# HIRE OFFER LED Lighting Systems

Ref: G/OFFER/LED

A range of popular LED light sources which are ideal for stage, concert and event production use. The luminaires are provided as part of a complete package including control and cabling. They benefit from low power consumption, low heat output, are lightweight and can be remotely controlled to achieve virtually any colour. Ideal for stage productions where budget is a strong consideration.

## STEP 1 – CHOOSE YOUR SYSTEM...
