## Pro-Stage Systems

Pro-Stage is a lightweight portable staging system available in a range of deck sizes and heights. Its sturdy construction, quick installation and modular format makes this system from **bright\*** a popular choice for community and education users. The staging is supplied with black carpet finish and metal trims, and an optional black valance. From just £7.00 / week, Pro-Stage offers a cost effective staging solution which is easy to transport and quick to install and remove requiring minimal tools.

We have highlighted below a range of standard components and stage sizes. For other sizes and options please contact your account manager.
